## Facility Guidelines & Expectations

The spread of Coronavirus (COVID-19) in Alberta and around the world has raised concerns for everyone. We value the well-being of our staff and customers, and we want you to know that your health & safety will remain our top priority.

We are following the lead of public health authorities and are doing our part to limit the spread of the virus. We will strictly adhere to guidelines established by local, provincial and federal governments as well as the NGCOA and NAGA.

### Here are some of the steps we are taking:

- Our clubhouse will remain closed to the public at this time. Portable restrooms are available on holes 5 and 7. Hand sanitizing stations will be set-up adjacent to the portable restrooms.
- Payment will be accepted at the front door of our clubhouse, which has been modified for staff and customer safety. Safe physical distances of 6 feet (2 metres) are clearly marked on the ramp up to the clubhouse front door.
- “Tap to Pay” is available
- Scorecards and pencils will be available on request and shall be taken from the facility by the golfer(s) at the completion of their round of golf
- Play is **LIMITED** to groups of four, or less, and social distancing of at least 6 feet (2 metres) **MUST** always be maintained during the round
- **ONLY ONE RIDER PER POWER CART WILL BE ALLOWED**, unless being shared by members of the same household.
- Rental equipment (power carts and pull carts) will be properly cleaned and disinfected prior to issuing to customers
- We will monitor the course on a regular basis to ensure players are practising physical distancing
- Putting and chipping greens are closed at this time
- No leagues at this time
- No sit-down food and beverage services. Call-ahead, take-out or delivery only.
- Our employees are required to stay home if they feel unwell or if they have been in contact with anyone that is exhibiting flu-like symptoms
- Increased cleanliness of our facilities especially in high traffic areas
- Notices throughout our facility for customers and employees to use caution and practice best hygiene methods to prevent the spread of the virus

- **ARRIVE AT THE COURSE NO EARLIER THAN 15 MINUTES BEFORE YOUR TEE TIME**
- **BOOK TEE TIMES IN ADVANCE. NO WALK-ONS.** If you fail to abide by this policy, you will be asked to return to your car and make the necessary arrangements over the phone.
